Re: Hoopin' Around The Clock 2023

Dear Friend,

On behalf of HighRise Basketball, I would like to invite you to consider a unique sponsorship opportunity for your company.

HighRise Basketball was started in 2000 as an avenue to give back to our communities and promote the game of basketball. We've dedicated ourselves to providing youth with the instruction, opportunity, and experience to reach their full potential in the game of basketball, as well as life. We've hosted numerous tournaments, clinics, and camps including athletes and teams from around the globe.

In January 2016 we started Hoopin' Around the Clock, a 24-hour basketball event. This unique event brings participants together to compete against one another around the clock in the spirit of fun, community, and charity. Our 6th Annual event, in November 2022, brought together 367 players representing 32 teams, groups, and organizations from across Southwestern Ontario. Most importantly, we raised \$41,000 in support of 7 local organizations and their efforts in our communities. To date, we are fortunate to have raised \$198,000 through this unique event.

We are excited to announce that we will be adding to that total on the weekend of November 17th-19th, 2023. Funds will be raised through participant registration, pledges, donations, and corporate sponsorship. All proceeds from the event will again be used to support and further the efforts of The Bridge - Leamington Youth Resource Centre, The Hospice of Windsor and Essex County, Little Hands Kids for a Cause, Neighbourhood Charitable Alliance, St. Clair Saints Athlete Sponsorship, Windsor Cancer Centre Foundation Patient Assistance Fund, and Windsor Pinoy Athletics.

We are hopeful we can count on your generosity in supporting this unique event. Please feel free to contact me if you have any questions, have an interest in participating, or would like to pledge your support.

Best Regards,

A handwritten signature in black ink, appearing to read "Reid Innes".
